

CERTIFICATE OF PARTICIPATION & SPORTS EQUIPMENT DECLARATION

ISHIDO SENSEI SUMMER SEMINAR 2026

Hosted by HiraBu Sport Association (HiraBu Dojo Budapest)

Budapest, Hungary

30 July – 3 August 2026

OFFICIAL CERTIFICATE

To the registered participant of the **Ishido Sensei Summer Seminar 2026**, an international Japanese martial arts seminar organized by **HiraBu Sport Association (HiraBu Dojo Budapest)** in cooperation with the Hungarian Kendo, Iaido and Jodo Federation.

The participant is travelling to Hungary solely for the purpose of attending organized training sessions, examinations, and official seminar activities.

Sports Equipment Declaration

The participant may travel with traditional Japanese martial arts training equipment required for participation in the seminar, including:

Iaido

- Iaito (unsharpened practice sword)
- Shinken (live blade used for advanced training and grading)

Jodo

- Jo (wooden staff)
- Bokuto / Bokken (wooden sword)

These items are used exclusively for legitimate sporting and educational purposes during organized martial arts activities.

During transportation, all equipment shall remain secured inside an appropriate carrying bag or transport case and shall not be carried or displayed in public except when travelling directly to or from the official seminar venue.

Organizer's Confirmation

The above-mentioned participant is expected to attend the seminar at:

Ludovika Sports Arena

1089 Budapest

Diószegi Sámuel utca 25.

Hungary

Seminar Dates:

30 July – 3 August 2026

Additional Information

Should customs officers, airport security personnel, airline representatives or law enforcement authorities require further information, the Organizing Committee will gladly confirm the participant's registration and the sporting purpose of this journey.

Please note that this certificate **does not replace applicable customs, aviation security or national legislation**, and the participant remains responsible for complying with all laws, airport security procedures and airline regulations concerning the transportation of sporting equipment.
